So You Pence For The Kosi

So You Pence has put her hoof up for the Kosi in 2026 after a brilliant first up run at Randwick. She was given a great ride by Tim Clark and was just far too good for her opposition on the day, a fantastic training performance from Matthew Dale.

Also on the same day we landed Rockthevelio second win of her prep.

Funshow

2/7 Hawkesbury 1400m Class 1 - 1st

Funshow was second up today on a rain affected track from a wide gate with a big weight but that didn't hinder him at all. Upon straightening JVO has plenty of horse underneath him and he was far too good today.

Reckless Behaviour

3/7 Goulburn 1400m BM58 - 9th

Reckless Behaviour was second up today with the blinkers applied for the first time and it was just too bad to be true. Put a line through this run today and reset, hopefully he pulls up okay.

Gorgeous

4/7 Rosehill Gardens 1300m BM72 - 5th

Gorgeous wasn't at her best today, her manners were terrible her attitude was terrible and it was just a pen job. Off to the paddock and let's hope her brain matures.

This Aint Texas

10/7 Moruya 1020m Maiden Plate - 2nd

This Aint Texas was second up this prep, Louise gave an 10/10 ride again and just found one better today. This filly has improved a lot this prep and not too far off a win.

Rockthevelio

10/7 Scone 1300m Class 1 - 2nd

Rockthevelio was second up today, jumped well travelled fantastic and ridden to perfection again. Just found one better today and was in the worst part of the track but overall a fantastic run.

State Secret

14/7 Newcastle 1250m Maiden Plate - 6th

State Secret third up today after two solid efforts thus far, but he was very disappointing today. We will likely spell and relocate.

Son Of Eureka

17/7 Tamworth 1200m BM58 - 3rd

Son Of Eureka was second up today, he jumped well gained the lead and was pressured by two other horses on his outside which softened him up but still ran a game third. Overall a great run.

Satin Stiletto

18/7 Rosehill Gardens 1100m Class 2 - 6th

Satin Stiletto was second up today on a very heavy track, we went there thinking that she would handle it but that was a no very early. Ducked and dived everywhere.

So You Pence

25/7 Royal Randwick 1300m BM78 - 1st

So You Pence was first up today over 1300m with 58.5kg, drawn well with TC on and didn't she deliver. A soft win in the end, to do what she did after 38 weeks off and a bleed last prep she is just a fantastic mare.

Rockthevelio

25/7 Kembla Grange 1300m Class 1 - 1st

Rockthevelio third up today has been a model of consistency, she had no luck getting stuck three deep with no cover the entire but Louise didn't panic and kept her balanced throughout. She ended up winning running away from them and won soft through the line.

This Aint Texas

26/7 Sapphire Coast 1010m Maiden Plate - 5th

This Aint Texas was third up today after two good performances and we thought today was another pass mark. She is looking for 1200m now so thats what we will target.

Son Of Eureka

28/7 Bathurst 1400m Class 1 - 7th

Son Of Eureka third up today and he was awful, he was way too keen and over the top pre race and ran his race before the gates opened. He will be finding a new home now.
